Splash™ Color Collection

For exceptional looking surfaces that require added panache, Poly Stone™ now offers 29 NEW colors collectively known as Splash™. Ideally suited for pool and spa applications, the new Splash™ line is unlike standard Poly Stone™ colors, with the inclusion of distinctive reflective flecks. Dramatically enhanced through water and both natural and artificial lighting, the result is a beautiful array of dazzling colors sure to capture attention.

Poly Stone™ uses the finest raw materials under a patented process (patent no. 5,588,599). UV, fire, chemical and stain resistant, Poly Stone™ Splash™ colors are ideal for a range of applications including those exposed to direct sunlight, adding exceptional durability to beautiful design.

For superior aesthetics at the most affordable price, choose Poly Stone™ Splash™ for your next pool or spa.
